

EASY BASE

Portable Base for the Multi-Lift

Go Anywhere with
Easy Base!!!

The *Easy Base* is a portable wheeled base for your Multi-Lift. *Easy Base* allows you to use your Multi-Lift virtually anywhere!

Vacations, hotels, secondary residences or anywhere you choose to go are now convenient and accessible with your *Easy Base*.

- Just fold the handle and legs, and your *Easy Base* becomes a compact and easily transportable package. You can then roll your *Easy Base* to your car or within your home with no lifting using its own built-in wheels!
- The convenient slide-out battery pack works for a minimum of 40 cycles and can be charged on or away from your *Easy Base*.
- Your *Easy Base* is lightweight and fully collapsible-it easily stores in the trunk of most cars!

-Patent Pending-
